

# Sustainability Initiatives (2020)

The City of Hartford Office of Sustainability

(860) 757-9731  
@hartfordclimate  
sustainability@Hartford.gov  
hartfordct.gov/sustainability

The Office of Sustainability directly engages residents through community groups, programs, and events; provides technical assistance; and oversees project management for green programming. Below are a few of the initiatives that the Office is leading or assisting:

~60  
Trees planted at Public Parks

\$1.54M  
In energy savings over 4 years

17  
Youth Service Corps Participating Members

**Virtual Earth Month.**  
200+ participants, 14+ events, 20+ speakers  
**Green Jobs and Internships Fair.**  
~70 participants, 75+ positions, 10 employers

**National Recognition**  
 City Scorecard (23<sup>rd</sup> / 100) + Most Improved City  
American Council for an Energy-Efficient Economy  
 Climate Protection Awards Honorable Mention  
US Conference of Mayors

Office of Sustainability Photos: 1) Youth Service Corps plants trees; 2) Landfill solar array; 3) Virtual Earth Week storytelling with Leticia Colon de Mejias

## Projects and Programming

**Municipal Energy Savings.** With a new electricity supply agreement alone, the City anticipates more than \$1.5 million in savings over the next few years.

**Energy Improvement District (EID) Landfill Solar.** The EID Board is working with the City and a contractor to install new solar at the former landfill.

**Urban Tree Canopy Action Plan.** This grant-funded plan is the City's new blueprint for forestry, prioritizing maintenance and planting based on need and canopy cover. Many thanks to the Department of Public Works and the Tree Advisory Commission for their partnership.

**Retain the Rain (RtR).** Through this grant-funded program and with the Department of Public Works, Our Piece of the Pie, and the Youth Service Corps, we've added ~60 trees to public parks. We also utilized grant funding to support nonprofit Keney Park Sustainability Project's grow kits and garden beds for residents.

This is in addition to the +370 rain barrels / downspout diverters and dozens of composters and trees that were distributed over the second phase of the RtR program.

**Virtual Events.** The Office of Sustainability held online events for green jobs and educational Earth Month programming. Videos are available on Facebook: @hartfordsustainability

## 2020 Sources of Financial Support and Capacity Building

National Fish and Wildlife Foundation

The Funders Network / Urban Sustainability Directors Network

CT Department of Energy and Environmental Protection

Hartford Foundation for Public Giving

Harvard Graduate School of Design

In 2020, the Hartford Mayor's Office of Sustainability was funded in part by the National Fish and Wildlife Foundation's Long Island Sound Futures Fund. The views contained in this document are those of the authors and should not be interpreted as representing the opinions or policies of the U.S. Government or the National Fish and Wildlife Foundation and its funding sources. Mention of trade names or commercial products does not constitute their endorsement by the U.S. Government, or the National Fish and Wildlife Foundation or its funding sources.

# 2020 Community-wide Initiatives

Compiled by the City of Hartford Office of Sustainability

[sustainability@Hartford.gov](mailto:sustainability@Hartford.gov)

[hartfordct.gov/sustainability](http://hartfordct.gov/sustainability)

*This is a compilation of various sustainability initiatives from across the City, and it includes efforts from City of Hartford departments, other government agencies, nonprofits, and many more stakeholders. This is not an exhaustive list, and there is always more to be done. Heartfelt thanks to all our residents, organizations, colleagues, and funders. Together, we're making progress towards a greener, more resilient Hartford.*

## A Brief Snapshot of Sustainability Across Hartford:

### Vision Zero and Complete Streets.

Hartford's DDS and DPW team added traffic calming measures like the City's first bike boulevard. DDS also led the drafting of the Complete Streets Plan, which envisions safer streets for all.

**Forestry Crew Tackles Hazards.** The City's new DPW forestry crew handled +240 hazardous tree cases.

**Local Food Systems.** In the past growing season, Hartford Public Schools purchased +\$22,000 in Hartford-grown produce, helping support local farmers and businesses.

**Solar for All – Residential Solar.** Through the CT Green Bank's Solar for All Program, +140 Hartford households have accessed solar financing to date.

**Food Policy Commission.** The Commission created a pandemic guide for food resources, and commissioners grew and donated +250lbs of produce.

**Local Transportation Advocacy.** Organizations like Transport Hartford Academy continued to offer walk audit training and bike safety programs.

**Decommissioning the Incinerator.** MIRA will close the Hartford trash incinerator. This is one step towards cleaner air, and more equitable sustainable waste management.

Tree Cases Closed

# 5

DDS / DPW Traffic Calming Projects

## Recognition

**Richard H. Driehaus Form-Based Codes Award**

Form-Based Codes Institute at Smart Growth America

**Bronze Bicycle Friendly Community**

The League of American Bicyclists

# +300

KNOX/Hartford Community Gardeners

## Community Engagement / Implementation

Various programs encourage residents to lead and implement neighborhood-based projects.

# 15

Completed Love Your Block Projects

The City's Office of Community Engagement Love Your Block (LYB) program, Hartford Decide\$, and Sustainable CT's Community Match Fund (CMF) are just a few of the programs that have supported over a dozen community projects during 2019 - 2020.

# \$180K+

raised for projects in Hartford

Funded projects include a pollinator garden, Capitol Ave streetscape improvements, art murals, bicycle education, and more.

# \$50K

For 3 Resident-selected projects

## Get Involved

### START A GREEN PROJECT.

Make your neighborhood vision come true through the Sustainable CT Community Match Fund. Email [hildingsalorioa@easternct.edu](mailto:hildingsalorioa@easternct.edu) for info. If you just need tools to host a cleanup, email [LoveYourBlock@hartford.gov](mailto:LoveYourBlock@hartford.gov).

### STAY INFORMED.

Follow [@Hartford311](https://www.facebook.com/Hartford311) on Facebook or [Twitter](https://twitter.com/Hartford311) for info on resources, community meetings, and jobs.

Follow [@hartfordclimate](https://twitter.com/hartfordclimate) on [Twitter](https://twitter.com/hartfordclimate) for updates from the Office of Sustainability.

### BECOME A VOLUNTEER.

Hartford's boards, commissions, and neighborhood groups are in need of commissioners and participants.

To learn more, visit [MeetingInfo.org](http://MeetingInfo.org) to see past meeting minutes and upcoming agendas, or visit [www.hartfordct.gov/Government/Boards-and-Commissions](http://www.hartfordct.gov/Government/Boards-and-Commissions)

# 2020 Acknowledgments

The City of Hartford Office of Sustainability

✉ sustainability@Hartford.gov

🌐 hartfordct.gov/sustainability

Sustainability work in Hartford could not happen without our community stakeholders and advocates. You are our unsung heroes working behind the scenes to support residents on a variety of environmental action efforts. A big thanks to the organizations that provided financial support and capacity building assistance to our Office: the National Fish and Wildlife Foundation, The Funders Network, Urban Sustainability Directors Network, the Hartford Foundation for Public Giving, and Harvard Graduate School of Design.

While this list is only a brief overview of the many organizations that have promoted and implemented sustainability initiatives in 2020, we'd like to extend a special thanks to:
